

West Ottawa Soccer Club

Photo, Audio, and Video Release Waiver

I do hereby give West Ottawa Soccer Club the permission to use my or my child's photographic image; video or audio capture on the West Ottawa Soccer Club digital media channels. This includes, but is not limited to, the soccer program Web site, Facebook, Instagram and Twitter.

It is agreed that the use of any of the aforementioned digitally captured content shall be used in no other way other than for the West Ottawa Soccer Club's soccer program itself.

I realize and acknowledge that all digitally captured content will be used exclusively for the advocacy efforts of the West Ottawa Soccer Club's soccer program and the continual development of the soccer program Web site.

I also know that I will not have the opportunity to review or inspect the finished product before it is posted on the Internet, but if I feel for any reason that the digitally captured content of myself or my child should be removed from the Internet, it will be removed within a reasonable amount of time.
