Adult Spare Policy

This policy has been adopted in order to aid adult summer teams in registering spare players for those game days when a team is low in numbers, typically because of summer vacations or injuries.

- A team may only register spare players if there are already 17 players on their roster.
- A team may roster up to 8 spare players.
- Each spare player can only play 4 games for a team.
- The fee is \$60 +HST for each spare player.
- Exceptions require the approval of the General Manager.

Approved by the Board of Directors on June 8, 2020.
